

MIDDLETON LODGE PRACTICE
NEW OLLERTON
NOTTINGHAMSHIRE

Salaried GP / Salaried with view to Partnership/ Partner

As part of our Practice development plan, we are looking for an enthusiastic and committed GP as a salaried GP/ salaried with view to Partnership/ Partner with Doctors' Effingham and partners.

Over recent years, we have attracted several newly qualified GPs, and so have evolved into a young team that provides a supportive working and educational environment.

New Ollerton is in a semi-rural location on the edge of Sherwood Forest, North Nottinghamshire. (Sherwood Centre Parcs lies just outside the practice area).

The Practice has a total of 5.25 WTEs GPs & 1.75 WTE ANPs and we are looking to expand.

- High QOF achievement
- No extended hours. No weekends.
- Practice purchases OOH cover such that the working day ends at 6pm
- CQC rating : GOOD
- Paperlight with SystemOne

Our staff help to filter/read letters, and prescribing clerks helping to reduce medication tasks passed to doctors.

The CCG has implemented a Home Visiting Service which has reduced the visiting workload.

We are willing to consider full time or part time applications as part of a win-win package and we are willing to wait for the right candidate. Post to commence summer 2018.

We pay £9601 per session (and it's an odd figure because we have always awarded annual pay rises rather than pay freezes!) plus defence fees in addition to this.

Informal enquiries and visits are welcome.

Closing date for applications 10th June 2018.
