

## **Brierley Park Medical Centre**

### **Maternity Locum**

Are you looking for a part time maternity locum that has the potential for further long term opportunities, working in a modern building alongside an enthusiastic and caring team; then we have the job for you. Located just off junction 28 of the M1 we are easy commute from Nottingham, Derby and Chesterfield.

We require:-

4 sessions per week Thursday and Friday

Start date: Flexible start from August 2018 (definitely from October)

End date: May 2019

We are a highly motivated multidisciplinary team of 6 doctors, GP Registrars, F2, Practice Pharmacist, nurse practitioner and chronic disease nurses. The practice list size is 9200 and our clinical system is SystemOne with integrated ICE. The practice ethos is based on high quality patient care and we endeavour to put the patient at the centre of all we do.

For further information and/or an informal visit please contact Liz Griffin, Practice Manager on 01623 440546 or email [Elizabeth.griffin@nhs.net](mailto:Elizabeth.griffin@nhs.net)

Applications with a CV, covering letter and two references may also be submitted via email.
