

Salaried GPs/Partner

Killamarsh Medical Practice

209 Sheffield Road, Killamarsh, Sheffield, S211DX

With our Senior Partner relocating, we are looking to recruit enthusiastic, motivated and forward thinking GPs to join our team.

We are 5 miles east of Sheffield and on the south edge of Rother Valley Country Park. We have a list size of 9,100 patients and we have embraced all of the changes thrust upon us due to COVID-19 – telephone consultations, eConsults and video consultations are a part of our daily working life!

We have a strong training ethos and have recently recruited our first Physician Associate following her placements with us during her training.

We are part of the North East Derbyshire PCN and have First Contact Physios, a Clinical Pharmacist and Social Prescribers working as part of our team.

We are happy to support newly qualified GPs as well as progression to partnership.

We are flexible as to how many sessions we are looking for.

We are willing to wait for the right candidate.
