

ST1 & ST2 Wednesday Day Release Teaching

August 2020 to July 2021

Due to the current situation with COVID-19, we are planning to have half day release every Wednesday afternoon instead of the usual 1st and 3rd Wednesdays for a full day.

This will be held virtually on Zoom and will usually start around 2pm but there may be some occasions where the timing is different or even a morning session is held instead.

This will be the case until at least Christmas and a decision on whether to revert to WDR after the New Year will be made depending on the situation at the time.
