We are looking for the 5th partner to join our "family". Why are we looking for a 5th partner? Our longest standing partner has retired after over 30 years of being with us. We are happy for you to join us as salaried, with a view to moving to partner after 3 months.

- Are you looking to join a large supportive, friendly, inclusive practice where your opinions will matter? Your voice will be heard and you will have the support of some 20+ clinical and non-clinical colleagues.
- We are happy to work flexibly with you helping you to maintain a healthy work life balance.
- We provide 6 weeks holiday plus 1 week study leave per year.
- Do you want to be part of our highly skilled team of GP's with special interests, ACP's, Pharmacy team, Specialist Practice Nurses, HCA's, phlebotomists and very experienced admin and management team?
- Would you like to be part of an innovative forward-thinking practice,? Then we would love to hear from you.

We are looking to recruit a motivated enthusiastic GP to join our team. We have a list size of just under 9,000 patients. Our base is in the Health Centre at Long Eaton, these are purpose built premises, which are well maintained and perfect to provide our 1st class patient services.

We are happy to support your application for a 'New Partner'. If you are newly qualified we can buddy you up with our existing experienced GPs to help develop your career and settle you into the surgery.

We have a unique rota which ensures the workload is equal but allows you some flexibility.

We are part of Erewash Health Partnership which currently offers support for contracts, policies and enhanced services.

We are an active part of Erewash Primary Care Network, employing clinical pharmacists, pharmacy technicians, first contact physiotherapists, social prescribers, and care co-ordinators.

Our patient participation group is active and we encourage them to be involved in service improvements and helping the surgery to develop at every opportunity.

If you would like any further information, (eg example contract/job plan) please contact Yvonne.Walters@nhs.net or admin.aitune@nhs.net. We are more than happy for an informal visit and a coffee with our partners.
